Serial No. 21

From

The Revenue Commr in his Memo No DS/m-25 dated 18.12.24

Reports that the recovery of loans issued to the Officials of the Pavagada Taluk in three monthly instalments would work as a hardship on them and recommends that the D.C's proposal to treat them as Subsistence loans free of interest and recover them in 36 monthly instalments may be sanctioned.

From the statement (A) which contains the names of officials etc who have taken loans, it is seen that the amounts given to each of them is in some cases 3 times his pay. In one case, it is four times & in another, five times the monthly pay. In this Office letter dated 4.11.24, it was directed that the D.C. should be instructed to recover the loans already issued in 3 monthly instalments. The adjt

of this course would evidently make the officials go starving for three or four months, as their pay would just cover the instalment towards their loan which was taken by them just because it was given. It is rather unfortunate that in some cases the money is given even without regard to the ability of the official to repay — whatever the circumstances may be...

This is just what was anticipated.

Just have however been unknowingly committed to the course — It is for you if the recommendation to treat the loan as subsistence loan free of interest and to recover it in 36 monthly instalments may be sanctioned. We D.C. recommended in Flag G that the loan can be recovered in 12 monthly instalments: for 36/12/42

It was certainly wrong to have given more than a month's pay to each official as loan, without regard to their ability to pay. This is just what was anticipated when it was decided to accept the recommendation. It also seems to be wrong to have allowed the officials to bring in their bundles through Calcutta. However, the sums are too big to be recovered in three instalments. The loans may be ordered to

OFFICE OF THE REVENUE COMMISSIONER,
IN MYSORE.

No D5/14-15 2.

Bangalore, 17th December 1924 18..

FROM

K. CHANDY ESQ., B.A.

Revenue Commissioner in Mysore.

To

K.V.Anantaraman,Esq,B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department.

SIR,

Adverting to correspondence ending with your letter No.259/D. dated 4th November 1924 Re the recovery of the grant of loans issued to the officials of the Pavagada Taluk, I have the honour to forward herewith copy of your letter No.O.C.1840 of 22-23 dated 13th December 1924 from the Deputy Commissioner,Tumkur District, reporting that he has issued orders for the - - recovery of the amount in three monthly instalments.

The Deputy Commissioner, however, states that in case the amount is recovered from the officials as ordered in three monthly instalments, they will have to starve practically for three months. These officials, it is reported, have given personal securities of persons who are large Khatedars in the Taluk, besides many of them having insured their lives and there are also their salaries, from which the instalments can be regularly recovered.

The Deputy Commissioner therefore requests that their pitiable case may be recommended to Government for treating the advances made to them as subsistence loans(free of interest) recoverable in 36 monthly instalments from the salaries of the officials concerned.

As it will cause great hardship to the officials if the advance made to them is recovered from them in 3

monthly instalments, I request that Government may be pleased to sanction the Deputy Commissioner's proposal.

I beg to bring to the notice of Government that during the present distress which so far as the two taluks of Maddagiri and Pavagada were concerned was quite acute, the officials were not given any high price allowance, this fact may also be considered while viewing the - - recommendation now made as a Special case.

I have the honour to be,

Sir,

Your most obedient servant,

K. Ramdas

Revenue Commissioner.

Letter No.O.C.1840/22-23 dated 13th December 1924 from the Deputy Commissioner,Tumkur District to the Revenue Commissioner in Mysore.

Adverting to Revenue Secretary's letter No.259/D. 4th November 1924 to you copy of which was received in this office, re the recovery of the grant of loans issued to theofficials of the Pavagada Taluk where the condition was very serious, I have the honour to state that as per instructions conveyed in the above communication I issued orders to the Amildar of Pavagada pointing out the mistake he had done and also asking him to recover the loan amount in three monthly instalments. It will be seen from his report No.313 dated the 20th November 1924 and from the list officials to whom loans have been issued(copy enclosed)that none of them would have any thing left if the amount advarced to them is to be recovered in 3 instalments and they will have to starve practically for 3 months. Pavagada is one of the two Taluks in the Tumkur District which have suffered most on account of Distress for the past 2 years and the condition of these poor officials is no better than the other raiyets of the Taluk who have been given large amounts of takavi and subsistence loans. These Officials many of whom have insured their lives have given personal securities of persons who are ~~ax~~ large Khatedars in the Taluk and have also their salaries from which the instalments can be regularly recovered. In proposing that these amounts may be treated as subsistence loans(free of interest) recoverable in 3 years as in the case of others, I do not see any harm in considering their cases favourably and I request you to be so good as to recommend their pitiable case to Government to treat these advances as subsistence loans(free of interest) recoverable in 36 monthly instalments from the salaries of the Officials concerned.
